

# Evonik Course/Item Equivalent Request Form

Qualification Equivalent Type (Please check one):

- Safety Plus Orientation
- Evonik Site Specific Orientation
- Drug Test 10-Panel
- Breath Alcohol Test
- Background Check
- MVR (Motor Vehicle Record)

**INSTRUCTIONS** – Print this form, fill in the appropriate information, and then submit to Safety Plus via the data submittal link at <https://safetyplus.wufoo.com/forms/site-entry-data-equivalents/> which can be found on our website ([SafetyPlusInc.net](http://SafetyPlusInc.net)) under “Our Services” – “Contractor Site Entry”. **Please Note: This form will only need to be completed for the initial approval request. Once approved, please submit equivalent data through the link above.**

Explain why this equivalent should be allowed:

Provide supporting document(s) – attach to this request:

For example – if you are trying to have a drug screen approved from a certain collector, provide the information about the clinic (location, phone number, contact person), provide the documents used by the collector to identify the “passed” drug screen and the parameters analyzed.

Decision (to be completed by Safety Plus and Evonik):

- Approved       Denied

Reason for denial:
